Ruth...

Could you check the status of Removal Completions in CERCLIS. From what is in there currently it appears we still have not achieved our target for completions (4 short of target). I want to make sure that the database is up-to-date and accounts for all completions achieved to date this FY.

OSCs...

If you've completed a removal and haven't informed Ruth of your demob date, please let her know ASAP. The following are sites currently credited in CERCLIS with removal completions this FY:
